**SUBJECT:** State Legislative Matrix

---

Attached for your information and review is the legislative bill matrix, providing summaries of state legislation relevant to SCAG activities and items of interest.

Included within the matrix are a number of bills that have 'died' due to their failure to pass or to be heard by a legislative committee by the appropriate deadline. Any such bills will be omitted from next month's State Legislative Matrix.

The legislative bills are organized by subject matter for each committee as follows:

- Regional Council – Air Quality, Economic Development, Energy, Environment, Government Bond Bills, Housing Land Use, Solid Waste, Transit, Transportation and Water;
- Community and Economic Development – Economic Development, Housing, and Land Use;
- Energy and Environment Committee – Air Quality, Energy, Environment, Solid Waste, and Water;
- Transportation and Communications Committee – Transportation and Transit.

SCAG Government Affairs staff is monitoring all bills closely and will provide timely updates on the status of bills as they are amended and move through the legislative process.
